

rBTC

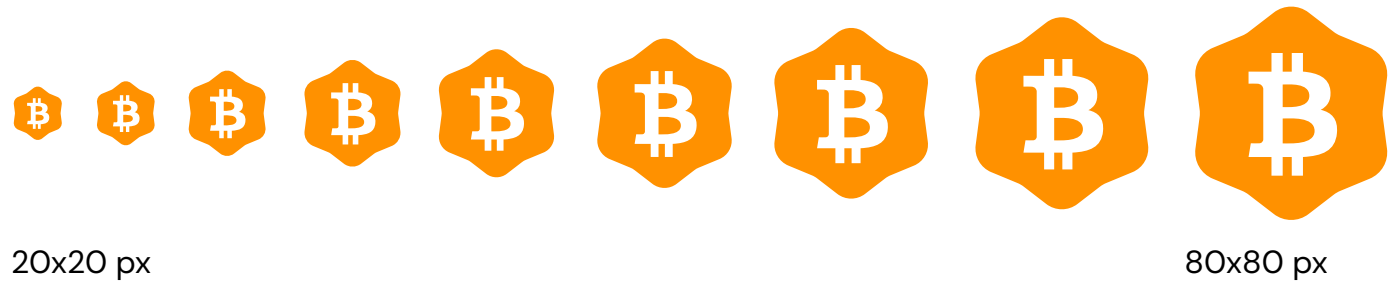

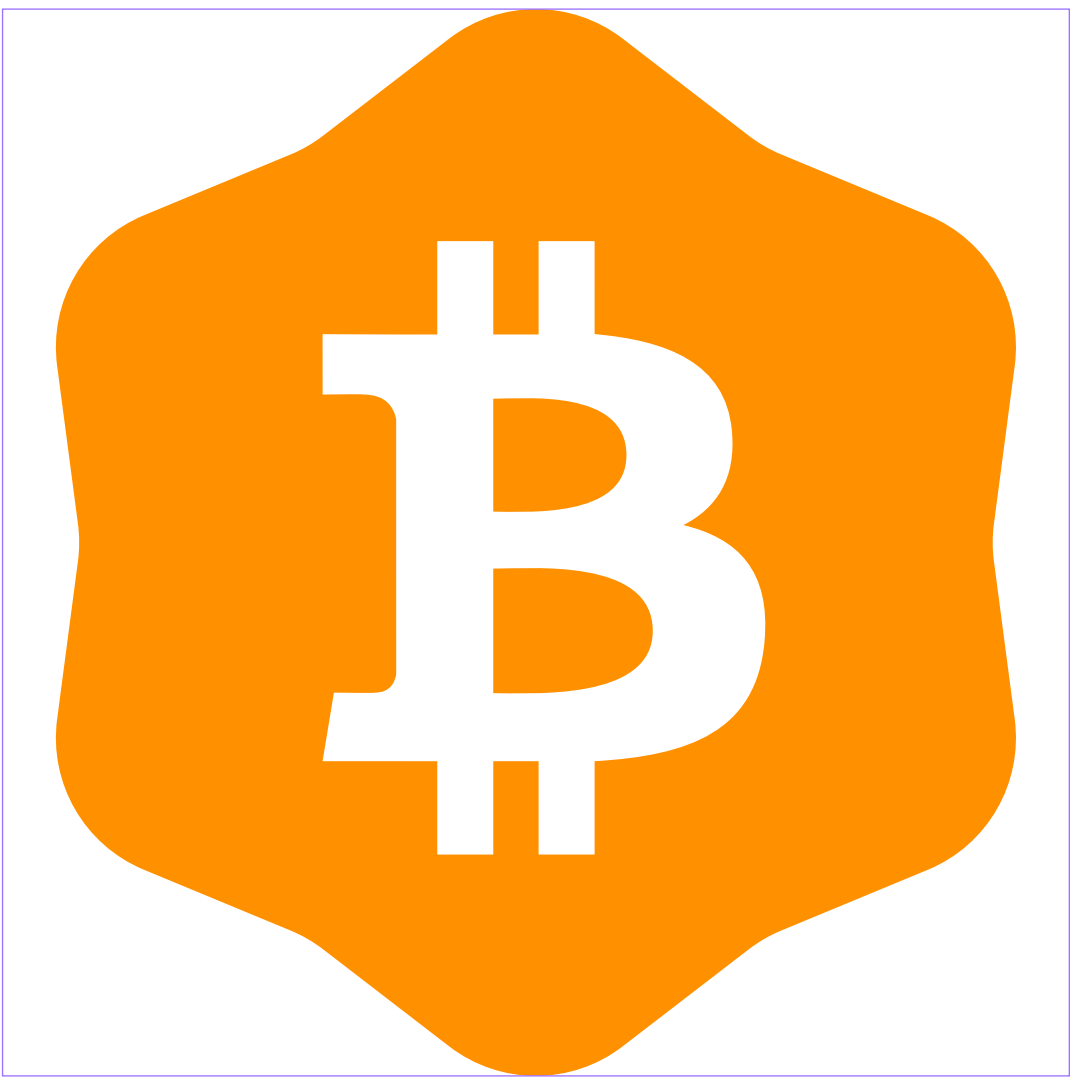

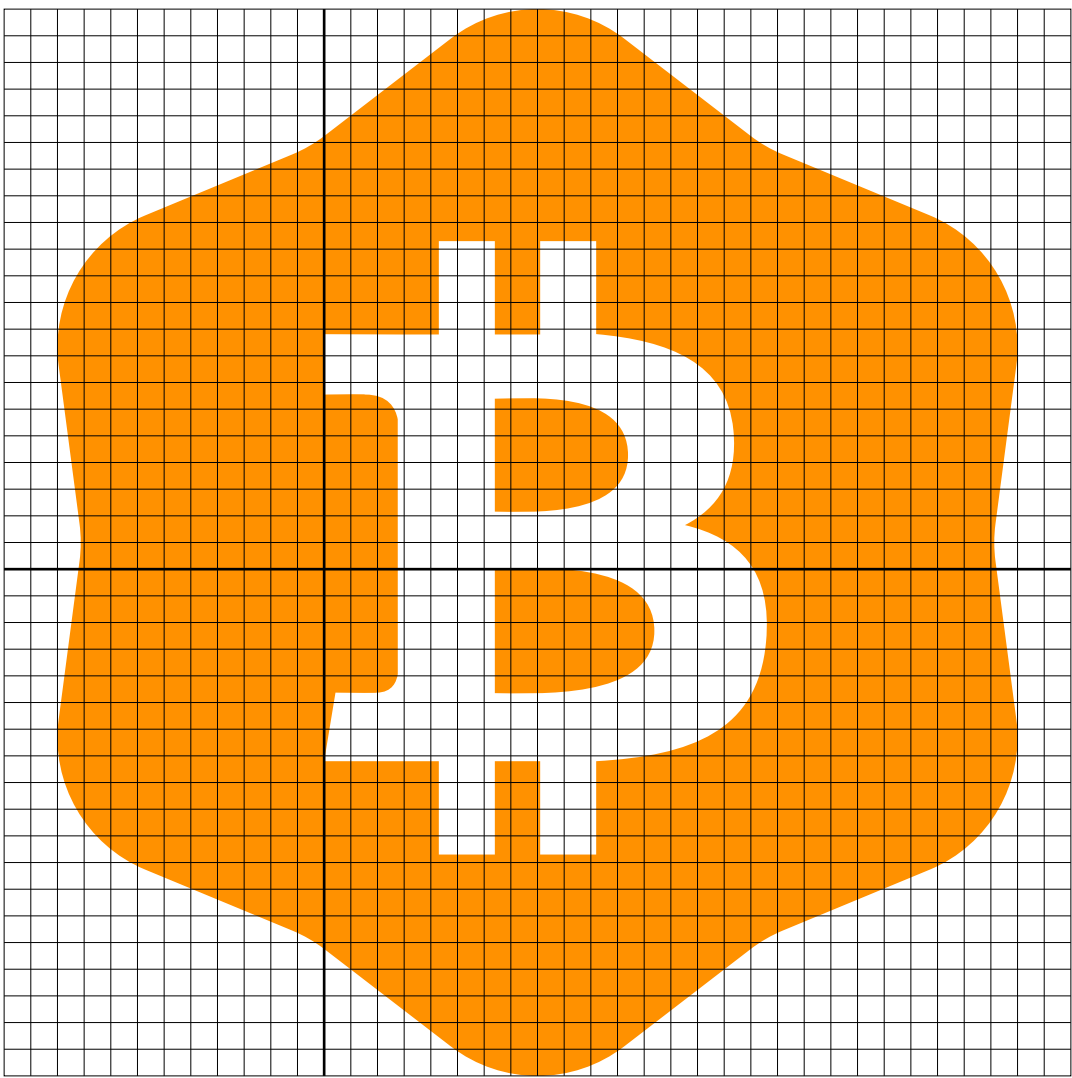

Symbol Concept

The shield suggests security and recalls the ~90% hashrate securing Rootstock. Through several transformations, the shield becomes an organic shape that hugs & protects the Rootstock logo.

Shape: **star**
Outside radius: **R**
Inside radius: **80%R**
Corners: **50px**

20x20 px

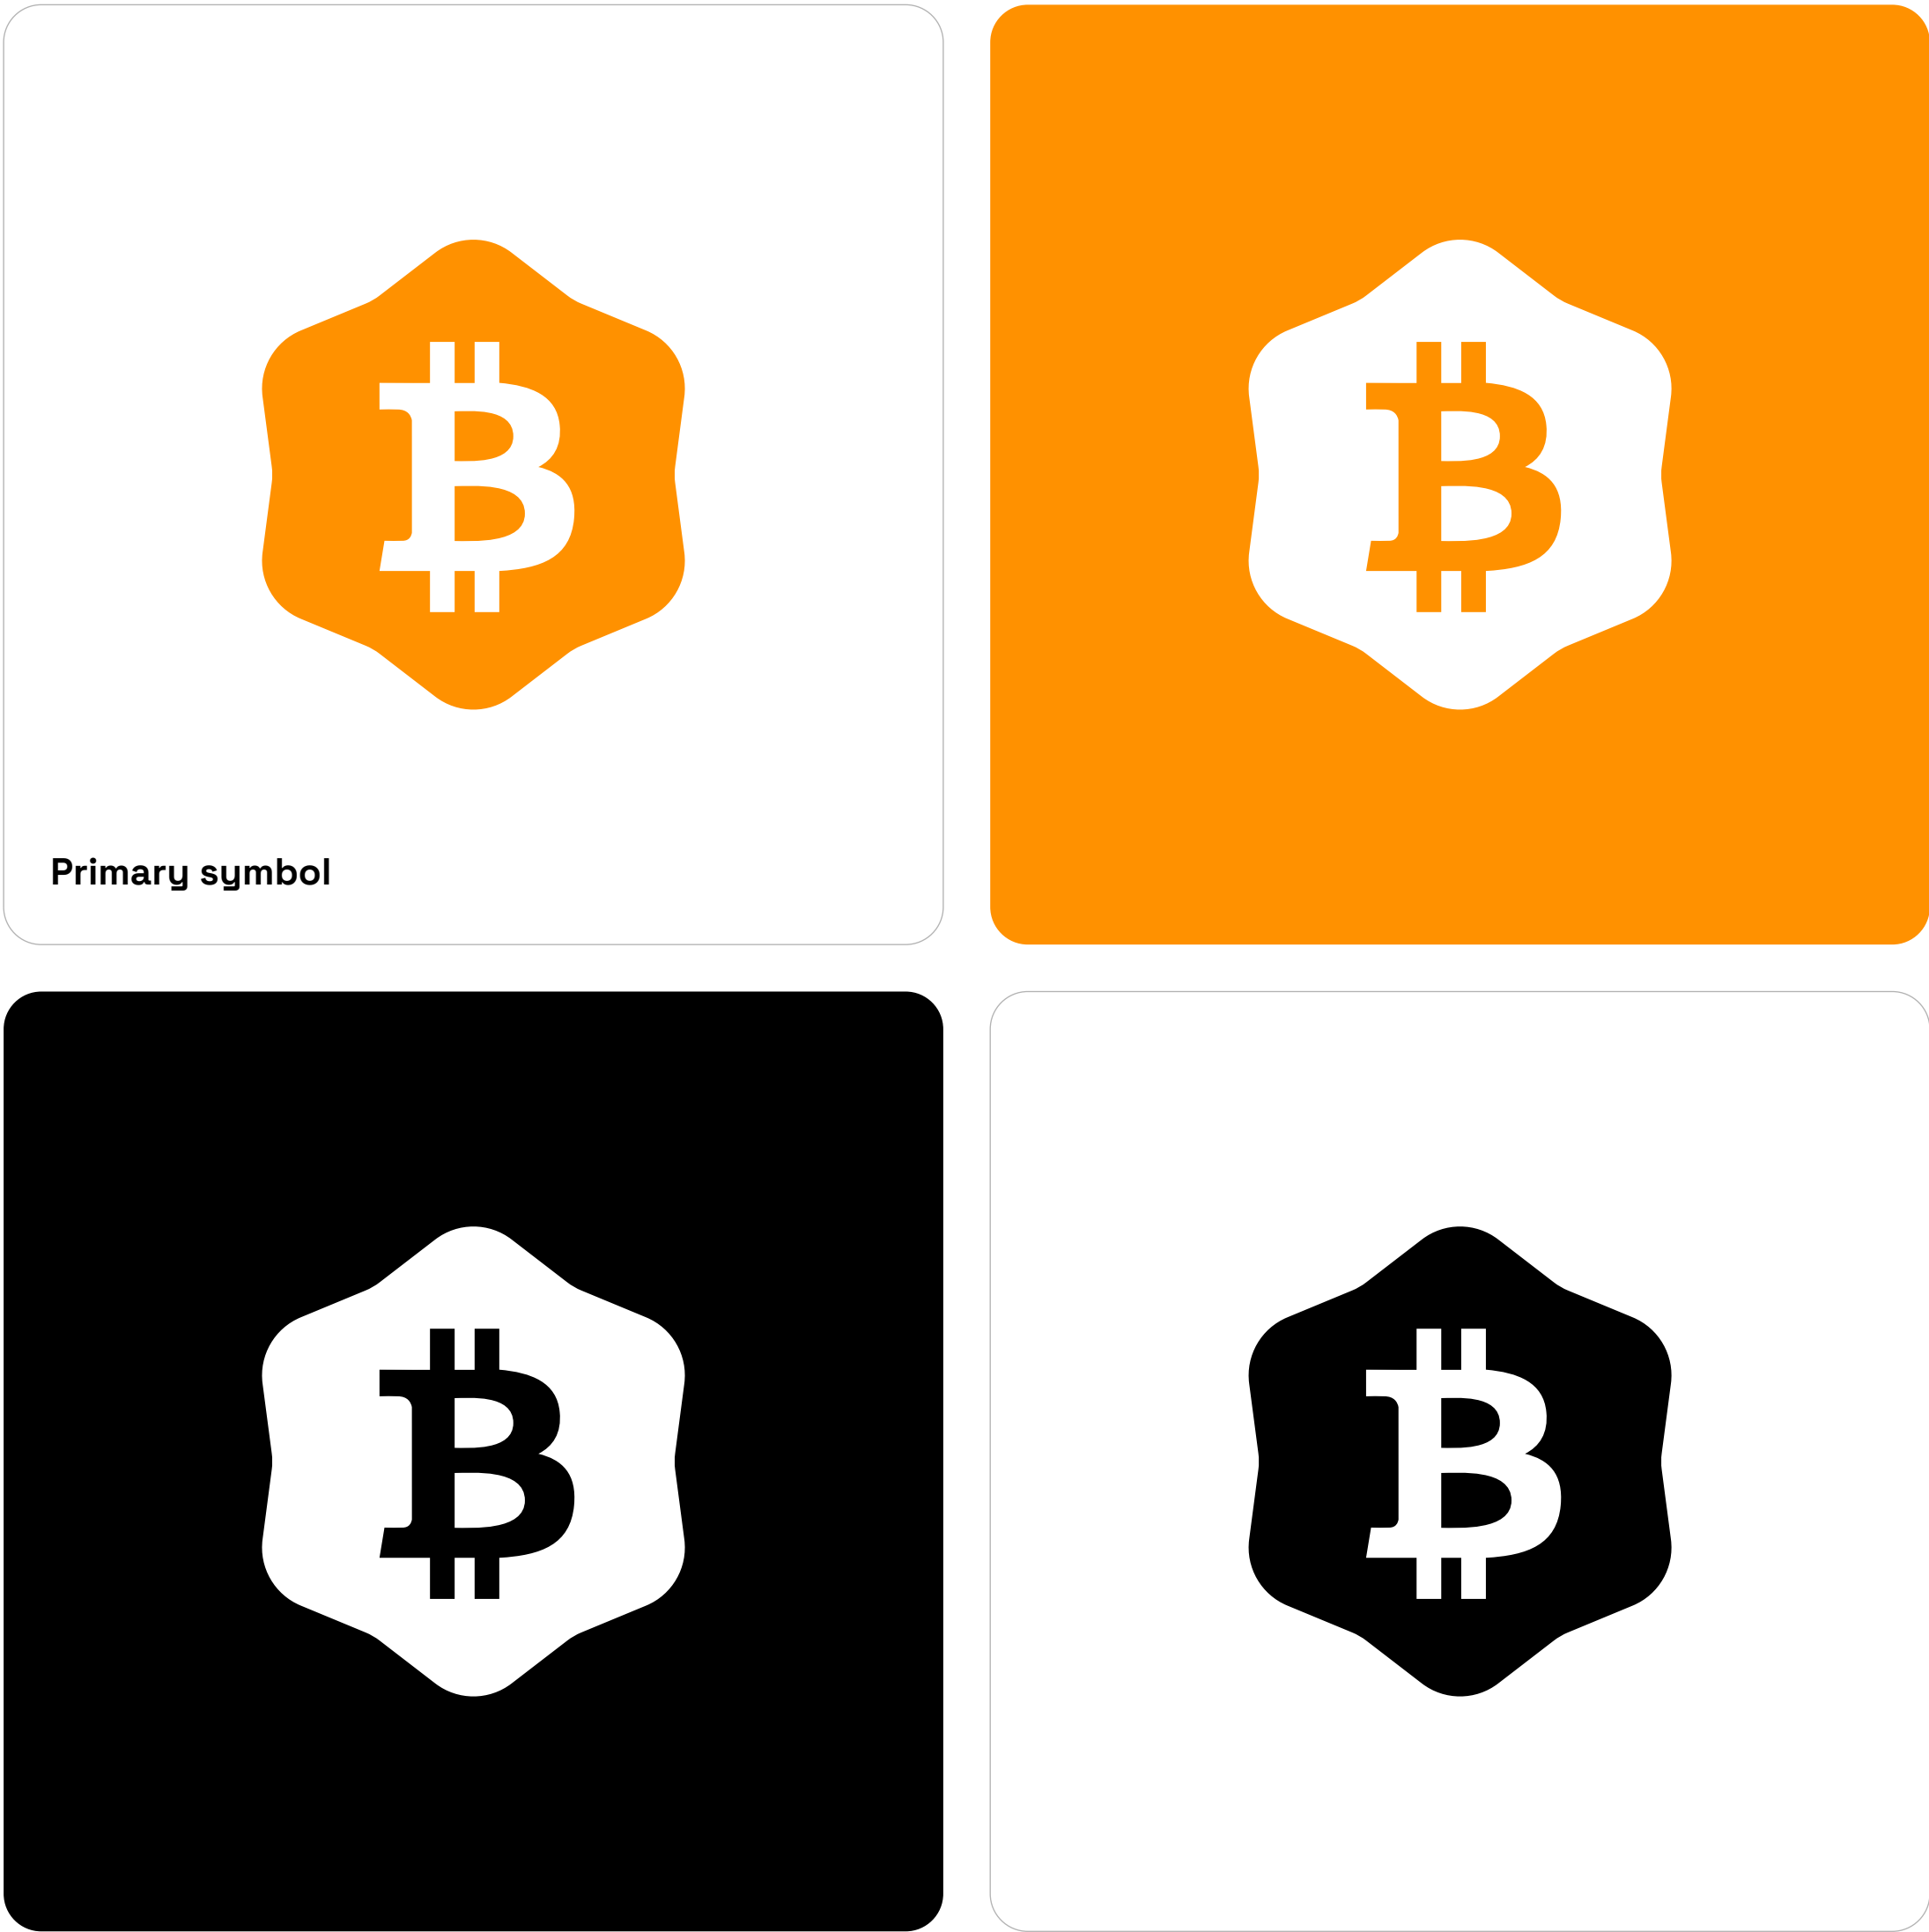

80x80 px

Symbol

There are 4 variants available to ensure contrast and legibility with any background color.

Colours

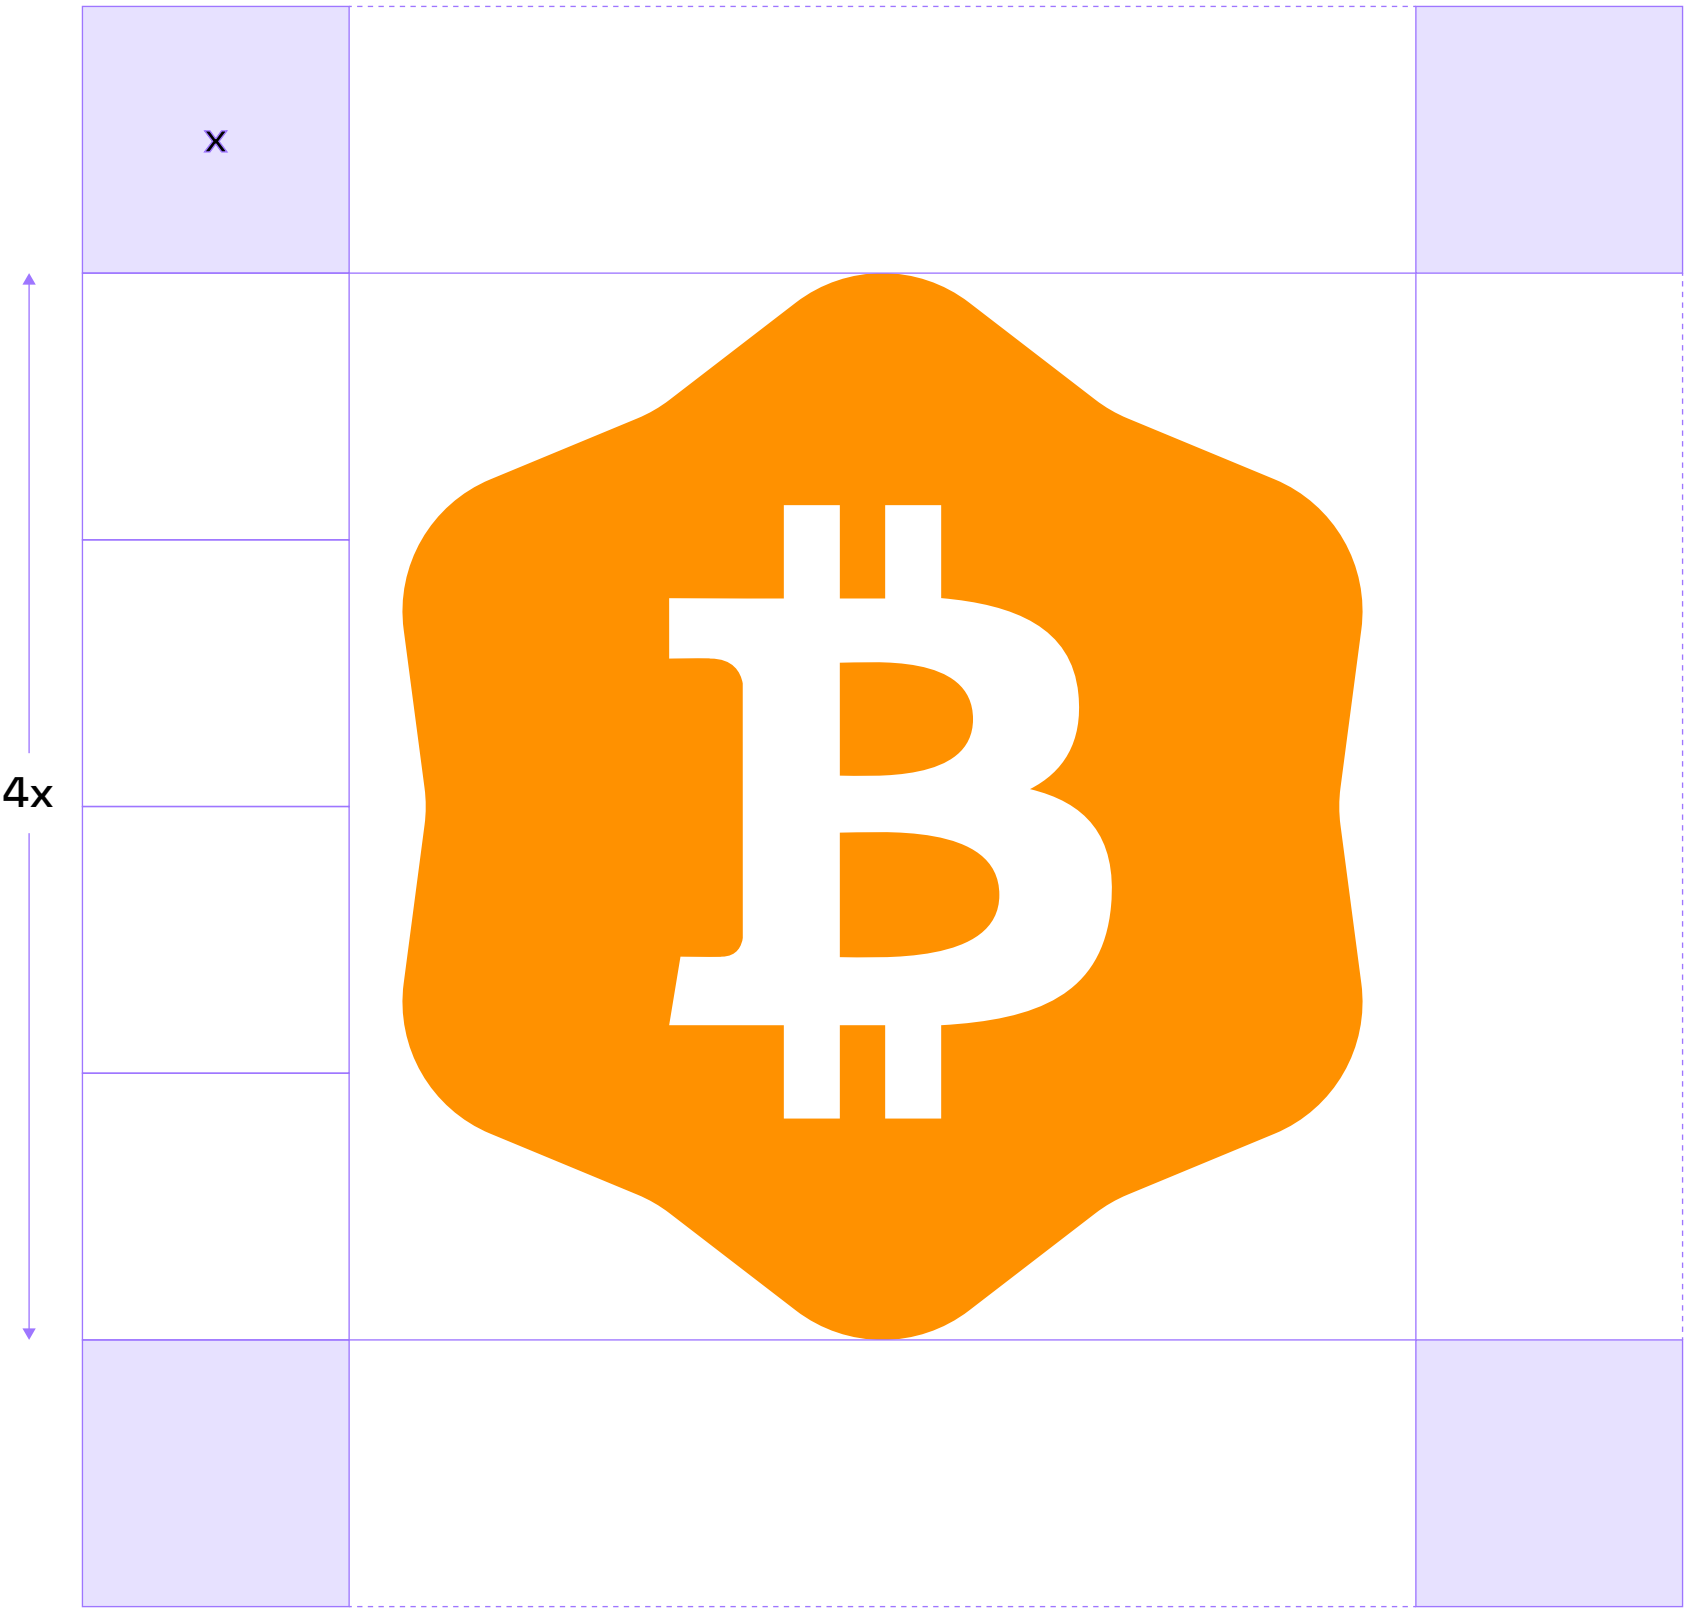

- Rootstock orange (primary)
Hex: **FF9100**
RGB: **255, 145, 0**
CMYK: **0, 43, 100, 0**
Pantone: **151C**
- White
Hex: **FFFFFF**
RGB: **255, 255, 255**
CMYK: **0, 0, 0, 0**
Pantone: **11-0601 TPG Bright White**
- Black
Hex: **000000**
RGB: **0, 0, 0**
CMYK: **40, 40, 40, 100**
Pantone: **Black 6C**

Clearspace

Area that should be kept clear, to ensure that the symbol is always clearly visible among other graphic elements.

Minimum size: 20x20 px

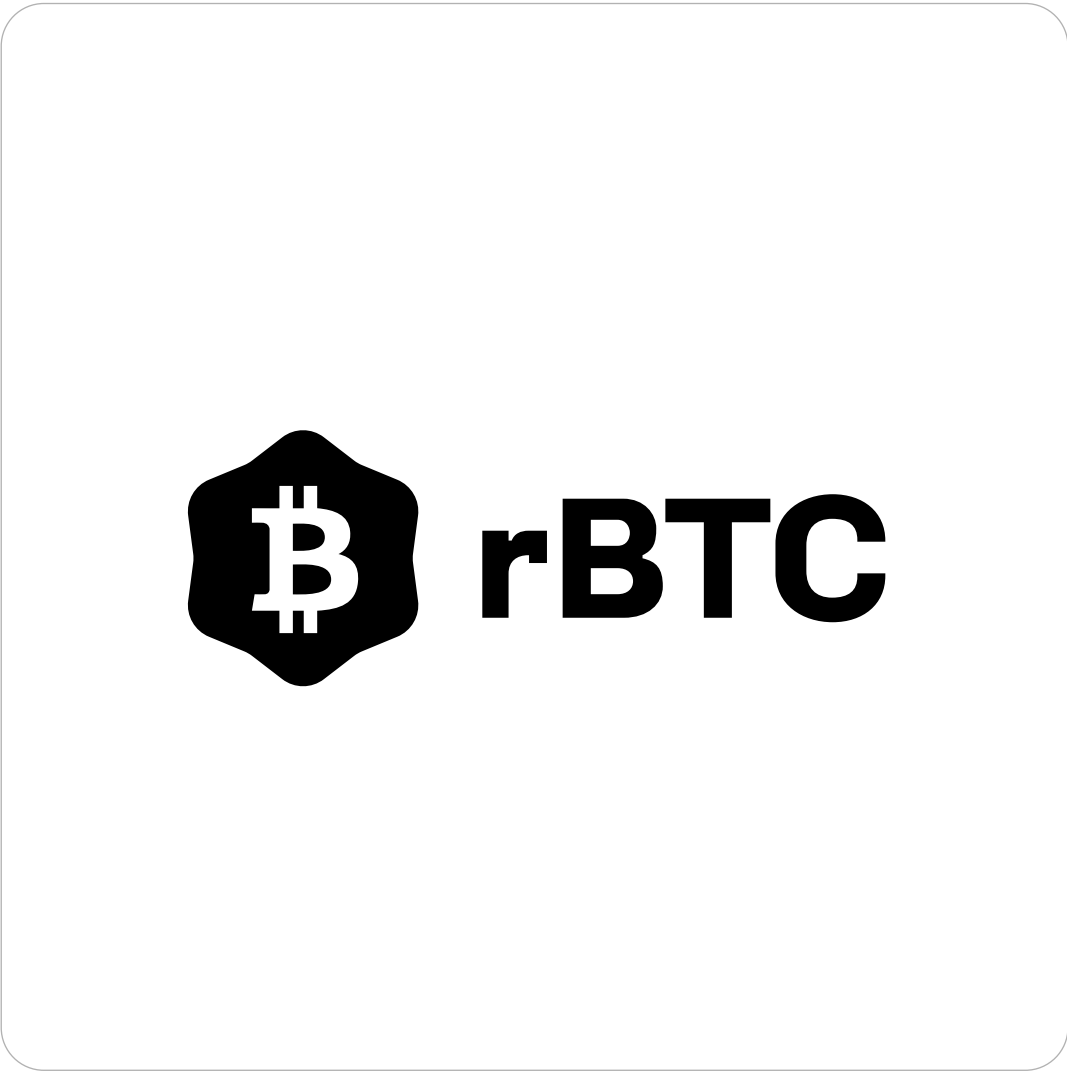

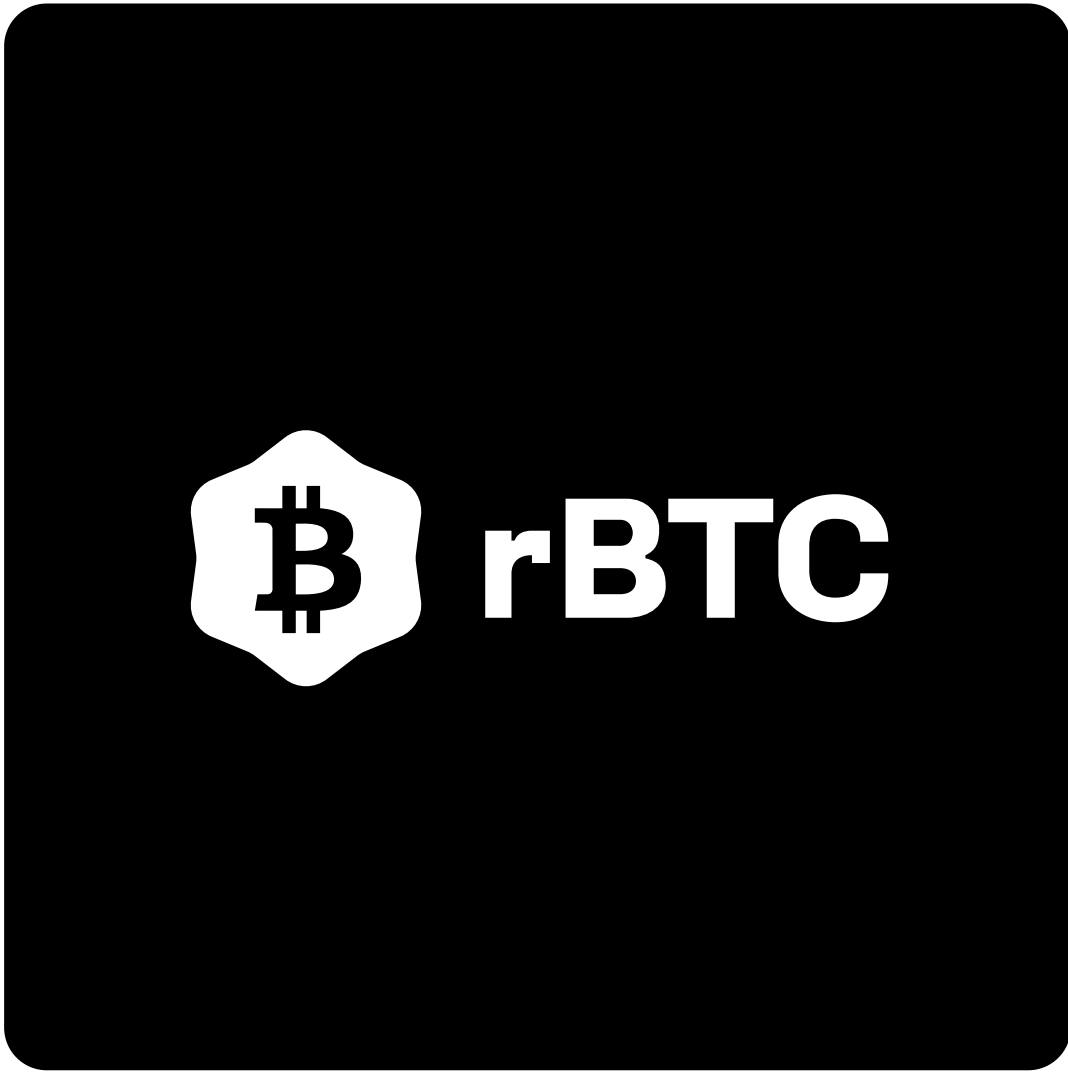

Logo

When necessary, for brand recognition, the logo should be used.
